

ENTERTAINMENT SERVICES

About CS Entertainment

CS Entertainment provides professional DJ and Photo Booth services for venue-led events across London, the South East and the Midlands.

We work closely with venue teams to deliver reliable, well-presented entertainment for private, corporate and wedding bookings with clear coordination, consistent standards and minimal operational input required from your team

Our Services

DJ Services

- Professional and experienced, vetted DJs
- Full professional sound & lighting 30-minute setups, suitable for corporate, private and wedding events
- Flexible DJ roster allowing coverage for multiple bookings on the same date
- Ability to support short-notice requests
- Coordinated setup, timings and breakdown aligned with venue operations
- Dedicated point of contact for venue teams
- PAT tested equipment, PLI & Risk assessments

Photo Booth Services

Modern Photo Booth setups designed for venue-led events and brand-sensitive environments.

- Clean, freestanding booths
- Customisable on-screen branding
- Digital gallery access included
- Optional print and prop packages available
